

# Lab@Home: Scientist Spotlight with Dr. Siobhan Day Grady

Lab@Home

## Materials

---

Plate  
Scissors  
About a cup of soil  
Water  
Paper  
Writing utensil  
Various natural materials\*

### **Preparation/Safety:**

\*In this program, we will need to make a "nature pizza." Think about all the things that can go on a pizza, or that you and your family like best on pizza! Take a walk with your adult to collect some of these supplies, keeping pizza toppings in mind. You might pick grass, leaves, flowers, pebbles, etc, to represent different kinds of toppings.

Have an adult nearby when using scissors!
