DURHAM YOUTH CLIMATE SUMMIT

HOSTED BY:  MUSEUM of LIFE + SCIENCE

This powerful, one-day educational experience will help lead changes in the lives, schools, and communities of young people by working towards a more sustainable future in the Triangle. The Summit, aligned with Next Generation Science Standards, will feature informative sessions and workshops for high school students.

**WE INVITE YOUR SCHOOL TO SEND A TEAM
OF 4-6 PEOPLE TO ATTEND THE YOUTH CLIMATE SUMMIT**

HOW CAN YOUR SCHOOL PARTICIPATE?

**PARTICIPANTS CAN CHOOSE
TO ATTEND SESSIONS AND
WORKSHOPS ON TOPICS LIKE**

Climate resiliency strategies for their schools/communities

How to develop a Climate Action Plan to bring back and implement in their schools/communities

Climate literacy and leadership skills

Economic, ecological, and social consequences of climate change

1. Identify a team!

Gather 4-6 students to represent your school. Teams should include interested high school students and 1-2 adult advisors such as school faculty, staff, or administration. Advisors receive a \$100 stipend for team participation.

2. Register your team!

For a team to be eligible to register, they must complete a pre-registration activity, which will be posted on October 1, 2021. Registration will open in mid-November.

3. Sign up for updates!

Don't miss registration. Sign up at <https://bit.ly/durhamclimate>

WHAT'S INCLUDED?

All meals, materials, and conference costs are underwritten by sponsors. *Transportation and accommodations are NOT included.*
